

Membership Committee
Annual Report
May 17, 2025

The dues for League of Women Voters of Hillsborough and Pasco Counties are now being collected via portal to National office.

- If a member renews prior to their expiration date, the date will be pushed back one year. This is true regardless of how far in advance they renew. For example, if my expiration date is 1/31/26 and I renew today, my new expiration date will be 1/31/27.
- If a member renews after their expiration date, their new expiration date will be a year from when they renew. For example, if my expiration date was 4/25/25 and I did not renew, but I renew today, my new expiration date will be 5/7/26.

My goal as the newly elected Chair of Membership includes:

- New Member orientation (June 2025)

Respectfully submitted

Ida Campbell
