

June 13, 2026

As Membership chair I attend (when schedule allows) the membership meetings held on the 2<sup>nd</sup> Thursday of each month. The meetings are very informative and always provide useful information on how to recruit, retain and recognize our members.

There is membership drive competition going on now from May 2026 – September 2026, the details are attached. The purpose of this membership drive competition is to grow the membership -earning recognition and funding to strengthen voter education and civic engagement. We received membership drive links to brochures that can be utilized when recruiting members and script when speaking with members about renewing their membership. <https://canva.link/gw4rni7jgvg7m2g> (link to brochure)

Let's work together and invite friends or "bring a buddy" to meetings and encourage them to join.

I am looking for members to be a part of this committee and assist with the Membership Drive competition.

Sincerely,

*Ida Campbell*

## OUR HISTORY

Established in 1920 as women were gaining the right to vote, **the League is one of the nation's most respected community-based voting rights organizations.** In addition to our work in elections, League volunteers work on issues of local importance, from redistricting, government accountability, and voting rights.

We are an organization fully committed to diversity, equity, and inclusion in principle and in practice.

## MEMBERSHIP

Join the League of Women Voters of Florida and be part of an organization that is:

- **Empowering Floridians to exercise their right to vote** by facilitating voter registration, sponsoring candidate forums, and informing the public about candidates via our neutral voter guide, VOTE411.
- **Protecting the right to vote against threats** and ensuring that every vote is counted by fighting for voting systems that are free, fair, and accessible.
- **Advocating for positive change at the local, state, and national level** on issues such as redistricting, government accountability, and voting rights.
- **Fostering civil dialogue about important statewide issues** through community via Lobby Days, Council of Leaders, State Convention, and more.

## NONPARTISAN

The League is proud to be **nonpartisan**, neither supporting nor opposing candidates or political parties at any level of government, but always working on vital issues of concern to members and the public.
